

# 2019 Midyear Clinical Hypnosis Workshops (Three Tracks)

Co-sponsored by SCEH and APA Division 30

April 26-27, 2019 (Friday and Saturday)

Holiday Inn Hotel & Suites Denver Tech Center-Centennial, Centennial, Colorado

- *Introductory/Basic* -- **Fundamentals of Hypnosis**
- *Intermediate* -- **Intermediate Training in Clinical and Applied Hypnosis**
- *Advanced* -- **Evidence-Based Hypnotherapy for Anxiety, Hot Flashes, and Pain Management**

12.5 CE credits - Workshops meet accepted Standards of Training in Clinical Hypnosis.

For hundreds of years, hypnosis has been a powerful tool allowing medical and psychological providers to help patients and clients address a myriad of issues. **Will this be the year you learn more about Clinical Hypnosis?**

- All SCEH workshops are of the highest teaching quality and feature experiential learning so you can put learned concepts into immediate practice.
- Co-sponsored by *The Institute for Continuing Education* for 12.5 CE credits. See website for details.

**Designed for:** Psychologists, Physicians, Social Workers, Counselors, Dentists, Chiropractors, Master's level Nurses and Clinical Nurse Practitioners, other Master's level licensed mental health and healthcare professionals, and clinical and experimental researchers in the field of hypnosis. Any health care professional who is eligible for SCEH membership may register. Special student rates apply. (See website for details.)
